Bedfordshire, Huntingdonshire & Peterborough**

# Fare changes from Sunday 17th September 2023

Sorry, we've done our best to hold back fare increases but the time has come to adjust them. The first objective of fares is to cover the costs of service provision and while the majority of this fare increase is down to rising cost, we've also been making important investments to give you an even better experience when travelling on our network.

The new ticket prices will add on average just 43p onto the cost of daily adult bus travel in the Town zone.

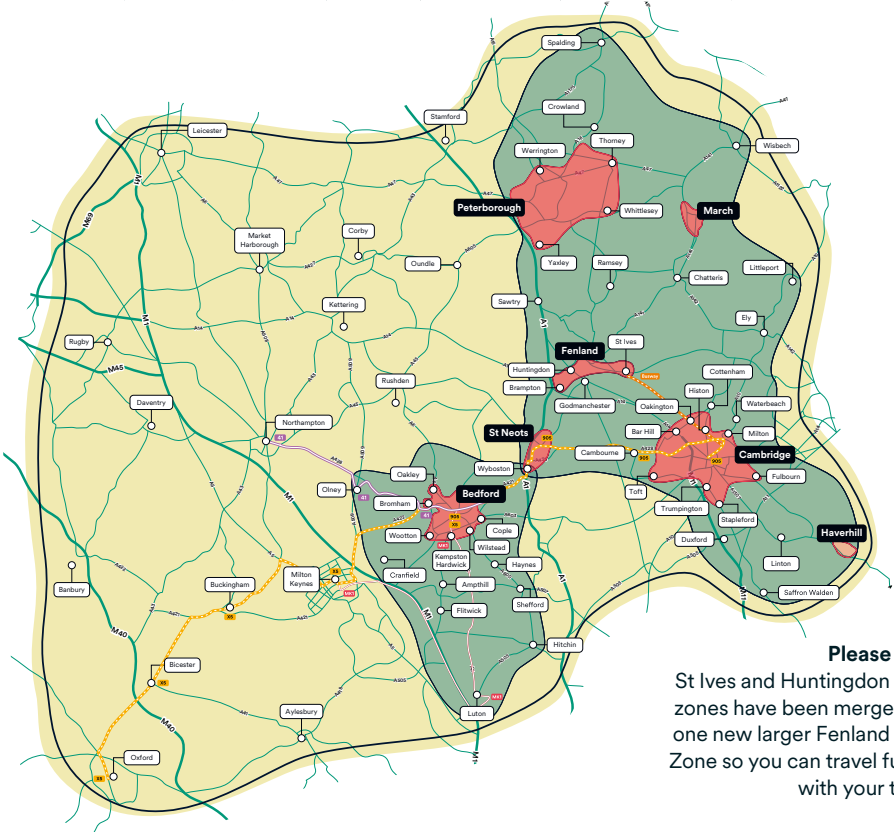

From Sunday 17th September 2023, we will continue to offer the same ticket types, but at slightly different prices. Please take a look through this booklet for an overview of the new fares available for travel on our buses across the East.

Please note:

- All travel zones will remain the same, other than St Ives and Huntingdon Town zones, which have been merged into one new larger Fenland Town Zone.
- The government's £2 single fare cap scheme is still available on all Stagecoach East bus services until 31st October 2023 (excluding X12 and Cambridge City Sightseeing bus tour) so the majority of customers will not be impacted by these changes whilst this scheme is running.
- Small Group ticket eligibility rules have been updated so that any 3 passengers (including adults) can take advantage of the Small Group tickets- providing a day of unlimited travel from just £2.67 per person.
- Adults can continue to travel from just £2.61 a day and Youth from £1.83 a day with 28 day Megarider Town tickets.
