

Public Rights of Way Report

Prepared by: Mark Pratt - Councillor responsible for PRow

Date: 18 November 2019

SUMMARY DECISIONS AND ACTIONS

Objective

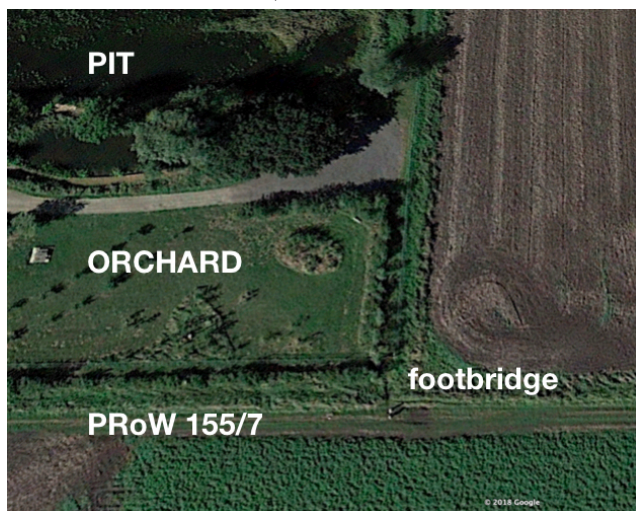

Councillors are to please decide on the following actions before or at the next Parish Council Meeting. Details and background information to assist with decision making is in the sections referred to.

Decisions and actions

- 1) No decisions required in relation to PRow for November
-

SECTION 1: SUMMARY REPORT ON GENERAL ACTIVITIES, INCIDENTS AND CORRESPONDENCE

1. Ground nesting birds issue raised at last meeting with regard to mowing. though this may be an issue, this is mainly related to vegetation clearance as birds are unlikely to nest on footpaths, especially those in use. Mitigation measures, such as checking for the presence of ground nesting birds along PRow, should be undertaken before mowing is undertaken.
2. Tenders to be sought for supplementary maintenance of PRow - ongoing.
3. Regarding the rerouting by CCC of ProW number 155/3 correctly (See Section 3) Cllr Pratt has written to Mr Peck, but not received a date for the works.
4. Correspondence received from Cllr Cundall regarding footbridge between PRow 155/7 and the Community Orchard. CCC (Mark Peck) has advised that the footbridge is the responsibility of MPC as it is off the ProW. Therefore, this matter is referred to councillors responsible for the Pit and Orchard.

5. Reminder of CCC problem reporting website <https://highwaysreporting.cambridgeshire.gov.uk>
